

## Dreams, Visions, and Books

In 1858 Ellen White was shown the war between \_\_\_\_\_ and His angels and \_\_\_\_\_ and his angels throughout history. Two days later Satan tried to kill her to stop her from telling others what she had seen. God protected her, and she wrote out what she had seen. Ellen White went on writing about this great war throughout her life, and you can read about it in the books *Patriarchs and Prophets*, *Prophets and Kings*, *The Desire of Ages*, *The Acts of the Apostles*, and *The Great Controversy*, or if you want to read easier English, the books are called: *Beginning of the End*, *Royalty and Ruin*, *Humble Hero*, *Unlikely Leaders*, and *Love under Fire*. In 1863 the Seventh-day Adventist Church was officially organized. She was also shown that it was important to have fresh air, a healthful diet, lots of exercise, sunshine, self-control, enough rest, and trust in God.

## The Christ of the Narrow Way

This picture represents the path of the Christian and how all things are possible with Jesus. You can also find the history of the beginnings of our church. This mural is special because it is based on the first vision of Ellen White. It is 30 feet long and was painted by artist Elfred Lee, who finished the mural in 1991.

It hangs in the Ellen G. White Estate at the General Conference in Maryland.

For Ellen White Jesus was always in the center of everything she wrote and talked about.

This painting is special because Jesus is always looking at you no matter from which angle you look.

## Ellen White and the Bible

While in vision, Ellen White often held up Bibles, quoted Bible verses, and spoke of the importance of the Bible. Ellen White's writings were not given to us to \_\_\_\_\_ the Bible.

She showed that her writings were, as she said, the "lesser light to lead men and women to the greater light." Her writings have been given to us to lift up and \_\_\_\_\_ the Bible.

The Whites had 4 boys, named:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_

In 1855 the Whites moved to Battle Creek. Soon this became a center for Adventism. In May of 1863 the \_\_\_\_\_

After James White's death Ellen White went as a missionary to \_\_\_\_\_ and \_\_\_\_\_

## Tests of a Prophet

To know whether or not someone is a prophet, we must use the tests. We can find all of the tests of a prophet in the Bible.

### 1 Isaiah 8:20 - Agree with the Bible.

We test prophets by comparing what they say with what the Bible says. A true prophet will never contradict

### 2 Matthew 7:15-20 - Bear good Fruit.

This test takes time, as fruit doesn't ripen overnight. By seeing the prophet's \_\_\_\_\_ and watching what results from the messages, we can see if the person is drawing others to God's ways or leading them in a wrong direction.

### 3 Jeremiah 28:9 - Fulfilled Predictions.

If someone predicts something that doesn't happen, we can know that the person is \_\_\_\_\_ prophet. Sometimes whether something happens or not can depend on how people respond to God's messages.

### 4 1 John 4:1-3 - Jesus is the Center.

A true prophet believes and teaches that Jesus is fully God and also completely human and that He came and lived and died for us. True prophets love \_\_\_\_\_ and make Jesus the most important part of their work.
